

HC3300

NEAR-BOILING + COLD FILTERED WATER TAP

The InSinkEerator HC3300 Instant Hot Water Tap dispenses near boiling filtered hot water from an easily installed under-sink hot water tank, as well as filtered drinking water.

The unit produces the perfect temperature for making hot drinks, speeding up the preparation of pasta or vegetables, cleaning dishes and a host of other kitchen tasks.

FEATURES & SPECIFICATIONS

- Near boiling filtered hot water instantly.
- Up to 100 cups of steaming hot water per hour.
- Safe, filtered hot or cold drinking water.
